

POWERCUBE LIMITED: SUPPLIER POLICY

Powercube Limited are committed to the fair and equitable treatment of our suppliers, providing qualified suppliers with equal opportunity to grow their business. Supplier confidentiality is maintained by all Powercube Limited employees in order to maintain high ethical standards and to support the creation of lasting supplier relationships.

In return, suppliers are expected to:

- Maintain the confidentiality of information provided by Powercube Limited.
- Conduct business ethically, without attempt to influence through gifts, entertainment, or favours that would create a conflict of interest.
- Advise Powercube Limited of product and process technology alternatives that would improve the purchase value.
- Partner with Powercube Limited to produce sustainable products using environmentally sustainable materials and processes.
