

## POWERCUBE LIMITED: SUPPLIER POLICY

Powercube Limited is committed to the fair and equitable treatment of our suppliers, ensuring all qualified suppliers have equal opportunities to grow their business. We maintain strict confidentiality regarding supplier information to uphold high ethical standards and foster long-lasting, mutually beneficial supplier relationships.

### Supplier Expectations

In return, we expect our suppliers to:

#### Maintain Confidentiality

Safeguard any information provided by Powercube Limited and ensure it is used solely for its intended purpose.

#### Conduct Business Ethically

Operate with integrity and avoid any actions that could create a conflict of interest, such as attempting to influence through gifts, entertainment, or favours.

#### Promote Value Improvement

Notify Powercube Limited of any product or process innovations that could enhance the value of purchased goods or services.

#### Support Sustainability

Collaborate with Powercube Limited to develop and deliver sustainable products, utilising environmentally friendly materials and processes wherever possible.

This policy reflects Powercube Limited's commitment to ethical business practices and sustainability throughout our supply chain.
